FOOTBALL

The Armijo Varsity football team had a fairly successful season. They played a total of 7 games, and won 3, tied 2, and lost 2.

In the first practice game of the season Armijo defeated the Winter Rams by a score of 19 to 6. The next game was a 14-14 tie with a strong San Juan eleven. In the third practice game, the Armijo Indians' hopes were lowered by a 12-6 defeat by Acalanes. In the first league game Armijo surprised everyone with a 6-6 tie with the Rams of Rio Vista. By this time, the Armijo Indians were feeling pretty high and squeezed by with an 8-7 win over the Panthers of Benicia. The Indians played the best game of the season on Armistice Day against Vacaville in a 20-0 defeat and making the Bulldogs feel ashamed of themselves. Armijo and Rio Vista were tied for the S.S.S.C.A.L. Championship until the playoff when our hard-fighting eleven was beaten by the Rio Rams 12-6.

"A" TEAM

Northern and Southern Section Title Holders of Solano County

The Armijo Varsity had one of its best seasons in five years. The Varsity defeated all the league competition of the southern half of Solano County and played off with Winters to decide who should have the northern section championship. The only tough competition the "A's" had was with Rio Vista on their court. After a three-minute overtime, our Varsity finally won out. This year, the Varsity had 18 practice games in order to get in shape.

BASEBALL

After thirteen years, baseball has returned to Armijo with a bang! Many boys have turned out for practice, and Coach Hopkins anticipates a very successful season. Up to date the team has played three practice games. We lost to a very strong Vallejo Apache team by the score of 7-2, and won decisively from Vacaville twice by scores of 10 to 2 and 8 to 0.

The boys will have plenty of time to participate in practice games and field the strongest possible team when the league games get under way on April 15th. Some of the boys seen in action this season were:

TRACK

The turnout for track was not quite as large this season as in previous years because of the return of baseball.

This Annual is being printed before track season is completed, so we do not know the final league standing. Some of the track meets that Armijo will participate in are as follows:

March 28—Vacaville-ArmijoHere
April 12—Saint HelenaThere
April 16—S.S.-S.C.A.L.Here
April 19—Cal Aggies Picnic and Track Meet
April 26—S.C.A.L.-WintersThere

Armijo has many prospects with fine records from the preceding year and hopes to do as good as last year and win two S.C.A.L. Championships.

VARSITY VOLLEYBALL, left to right: Jessie Lum, Clara Legg, Esther Foon, Conception Sabino, Donna Roughan, Emma Diaz, Ina Claire Freitas, Melva Lee Silvera, Naomi Willis, Mary Hall.

ALL-STAR VOLLEYBALL, left to right: Frances Low, Pauline Lee, Edna Fong, Daisy Low, Rita Rufran, Leone Crawford, Esther Engell, Mary Block, Ida Cignetti, Beverly Belon.

VOLLEYBALL

Perhaps the girls of Armijo haven't the drawing power of the men, but they have every bit as much enthusiasm and pep when it comes to tournaments and even friendly inter-class games.

The Juniors and Seniors were the first to start the season of sports by tennis. After a few weeks of practice, tennis tournaments were started. Esther Foon and Jessie Lum came out on top by winning the doubles tournaments. A tennis team was chosen and those girls were: Frances Low, Esther Engell, Esther Foon, and Jessie Lum.

To prove that the girls didn't waste a bit of time, volleyball games were next for all classes. Ten hard-fighting games were played off, and the Seniors won the volleyball inter-class tournament over the Sophomore team. Later the Volleyball Varsity and All-Star were chosen and the Varsity consisted of the following girls: Clara Legg, Esther Foon, Jessie Lum, Emma Diaz, Naomi Willis, Conception Sabino, Donna Roughan, Ina Claire Freitas, Mary Hall, and Melva Lee Silvera. The All-Star consisted of: Frances Low, Pauline Lee, Edna Fong, Daisy Low, Rita Rufran, Leone Crawford, Esther Engell, Mary Louise Block, Ida Cignetti, and Beverly Belon.

BADMINTON . . . TENNIS

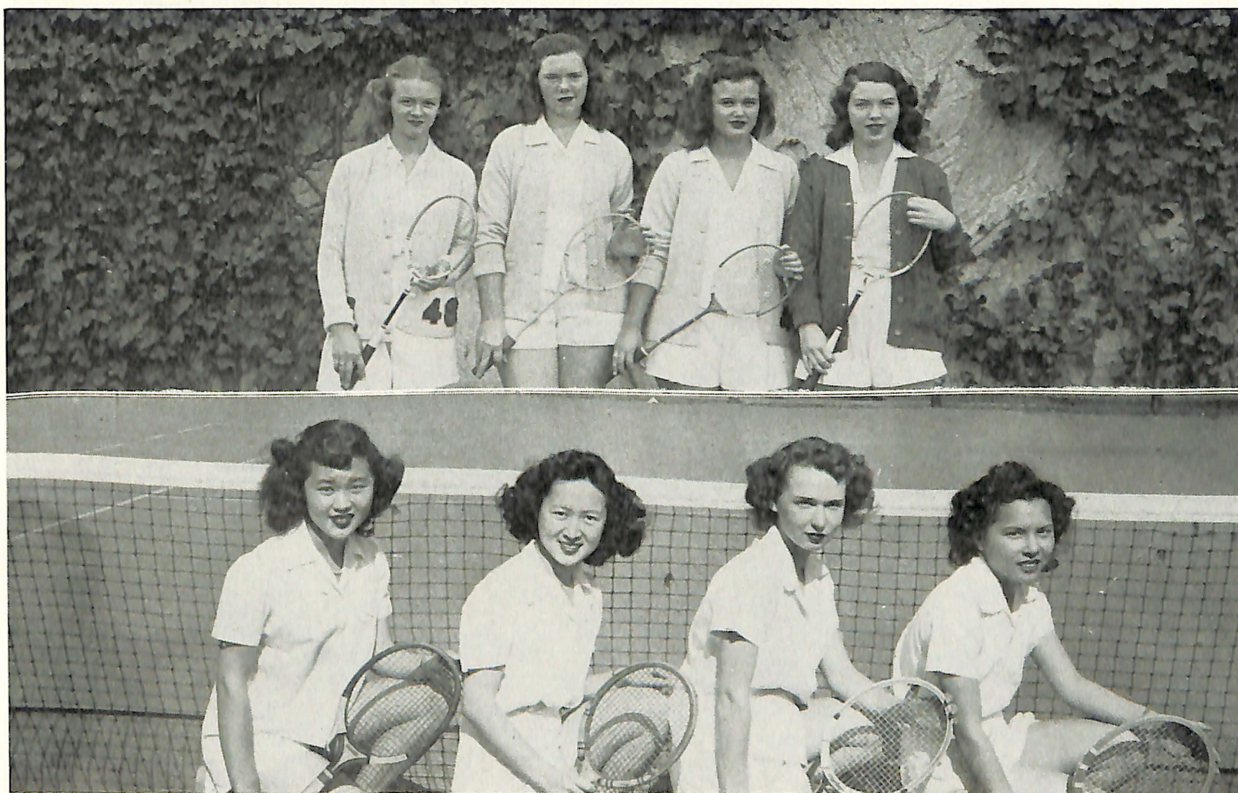

On January 31 the Armijo girls played Rio Vista in volleyball in our girls' gymnasium. Unfortunately we didn't win, but the experience of playing an out of town team was enough for our team. After the game refreshments of ice cream and cake were served. We had a very friendly meeting and the program was interesting because Rio Vista also participated.

While some girls were playing volleyball there were girls also playing badminton. After they practiced for a few weeks they ventured over to Vallejo for a badminton game. Barbara DeLong, Veva Pardis, Jackie Marchant, Donna Roughan, D. A. Jones, Lenora McGraw, and Joyce Woods played very well considering the competition they had.

Inter-class basketball games are getting along well. The Senior team of Armijo plans to play the Senior girls of Benicia in basketball in the third week of April at Armijo.

After basketball is completed, softball games will begin. We also plan to play Benicia and Rio Vista in softball in April some time.

This completes the girls sports for one year. We all had a swell time under the instruction of Miss Kate Jurjevich, our gym teacher.

YEAR 1988

While thumbing through some old newspapers, we came upon some interesting items. We thought that perhaps other members of the Class of '47 might like to read them; so we clipped out the following and pasted them into our scrapbook.

Stockholm, Oct. 15, 1967—Lewis Siqueira, famous scientist, has just been awarded the Nobel Prize for his outstanding thesis on "Which comes first—the Egg or the Chicken?"

Washington, D. C., Jan. 19, 1973—The President of the United States, Clara Legg, disclosed in her press conference today that the new Ambassador to Lower Slobobia is to be William McGraw, husband of Esther Engell.

Suisun, Calif., Nov. 6, 1966—The heated political battle for the important position of Mayor of Suisun was culminated today by the election of Richard "Moose" Fockler, who defeated his opponent, Shirley Siqueira, racketeer and gambler, by one vote.

New York City, Sept. 4, 1956 —Lindy Moore, the owner of Esquire magazine, announced to the world today that William Reynolds, author of "American Politics," a current best seller, has been made Editor of Esquire. Mr. Reynolds announced that his new Art Editor would be Paula Crowley, famous for her "Crowley Men," the counterpart of the "Petty Girls."

Berlin, Feb. 6, 1976—A mystery which has baffled the world for over 20 years was solved yesterday when a party of scientists, including Sir Thomas Kuroda, Lord Joseph Nunes, and Count Manuel

Baracosa, discovered Miss Bette Harper in her mountain retreat in the Bavarian Alps. Miss Harper has devoted her life to the application of the Einstein Theory to Atomic Research.

Suisun, Calif., April 16, 1987 — The whole country is mourning the death of Leonard Wink, multi-millionaire and soldier of fortune, who passed away in his beautiful mansion on Suisun Slough yesterday afternoon. Mr. Wink owned considerable stock in the Schenley Company, which he left to Arlene Engell, who is famous for her prize-winning Siamese cats.

Cordelia, Calif., March 9, 1972 — Bill Jones, our local garbage man was presented today with a gold watch in appreciation of 20 years of faithful service. Mr. Jones' devoted wife, the former Margaret Shaffer, is Matron at the Solano County Detention Home, which is now the largest in the state.

San Quentin, Calif. Aug. 4, 1957—Paul Lahmon, Warden of San Quentin, announced the capture of the notorious cattle-rustler and escape artist, Bill Vest. Vest was apprehended when visiting his wife, Elayne "Babe" Serpas, who is now running their ranch, the "Bar Nothing." Warden Lahmon's ex-wife, Elouise Headlee, is now married to her school-days' sweetheart, John Ferguson, head of the Reno, Nevada, Chamber of Commerce.

PROPHECY

Hollywood, Calif., July 9, 1963—Lois Wilson, Hollywood columnist and commentator, disclosed today on her radio broadcast the engagement of the beautiful Leroy Gilbert model, Donna "the Body" Morrison, to the Broadway playboy, Harrison Dodini, who recently obtained a divorce from his sixth wife, the Metropolitan Opera Star, Georgia Rodgers. Mr. Gilbert purchased the Vanities and the model agency from Earl Carroll, when the latter was committed to the state insane asylum, after he stated to the press that Barbara Rose was the most beautiful girl in the world.

San Francisco, Dec. 17, 1969—Pauline Lee, proprietor of the Chinese restaurant "Sum Chow," disclosed to reporters today that her new assistants, Edna Fong and Alice Lum have discovered a new worm that is longer, fatter, and tastier. Pauline guarantees that all meat used in her food is home-grown. Miss Lee's husband William Low, who was in charge of the worms, recently passed away when he mistakenly ate some of the customers' food.

Montgomery, Ala., June 25, 1972—A unique enterprise, the roadside marriage service, went out of business today when its originators, Mr. and Mrs. Curtis Anderson, moved to a new residence. They are residing in the Governor's Mansion at Montgomery. Mrs. Anderson, the former Lily Mae Browning, and Governor Anderson, started their novel business when their friends, William Sabino and Melva Lee Silvera, killed themselves in a lovers' tryst because they had such a difficult time getting married.

Cleveland, Ohio, Nov. 27, 1972—Flags were hung at half-mast today in every baseball park in the land,

for Arthur "Speedball" Wagoner, famous Cleveland pitcher, and Richard "Bud" Parkison, Pittsburgh Pirates' catcher, were laid to rest at the "Rest in Peace" cemetery. The two players died yesterday from injuries received during the last World Series game in which they had a fight with baseball's first women umpires, Ruth Ross and Jean Langdon. Mr. Wagoner is survived by his two ex-wives, Blanche Moore and Rhogene Davis.

Fairfield, Calif. April 23, 1954 — Arnold Athey, Fairfield choir leader, was found dead today in his small room. Police Chief Gene Huffman stated that Mr. Athey had committed suicide because his life-long sweetheart, Lois Mason, married the renowned missionary, Dwight Erickson.

Washington, D. C., May 14, 1974 — The President's secretary, Joseph Paoli, announced to the press today the news that a new face is to be added to Mt. Etna. The President has commissioned the famous sculptoresses Esther Foon, Jessie Lum, and Frances Low to carve upon the historic mountain the face of Jack Muthart. Jack married Princess Elizabeth, becoming the first American king of England.

CHICAGO, Dec. 30, 1975 — Famous music critic, Douglas Tomasini, stated that his proteges, Bonnie Muthart and Joe Huffman, will play the piano together in Carnegie Hall next month. The orchestra will be conducted by Seymour Rubinsky, world famous violinist.
